Online Ordering for Information Returns and Employer Returns

Place your order below for information returns and employer products. Your request for products for **2009** will be held until they become available. Please do not reorder these products as they will be automatically shipped and may arrive in multiple shipments.

Specify the quantity needed, by year, in the corresponding fill-in space. Quantities are limited to **1,000 each** for forms and **25 each** for instructions and publications. One copy of the corresponding instruction is automatically included with your order. Some employer forms are printed 2 or 3 to a sheet; order the number of forms needed, not the number of sheets.

File Forms W-2 and W-3 **electronically** by visiting the Social Security Administration's Employer Reporting Instructions and Information website to create and file electronic "fill-in" versions of Forms W-2 and W-3.
