Martin's Office Supply, Inc.

We have been told that individual tax forms are no longer available at local U.S. Post Office Branches. During the appropriate time frame we sell Employer forms such as W2, 1099Misc., etc., but not individual filing forms like 1040, 1040EZ, etc. since they are provided at no charge by the IRS.

Individual tax forms and instructions are available for download from the Internal Revenue Service web site at [www.irs.gov](http://www.irs.gov). Public use computers are available that the Hood County Library. See illustrations below for guidance:
